

ANTHONY TIDWELL

REGIONAL PREVENTION PROVIDER

Anthony Tidwell has an innate desire to make a change in his community. When Anthony decided to be the change that's when things began to evolve.

A native of Hot Springs, Anthony received a Bachelor of Arts Degree in General Studies with a minor in Early Childhood Education from Arkansas Tech University. He received training and certification as a Mental Health Para-Professional while working with Birch Tree Communities, which is a community mental health service. His education and experiences inspired the vision and need for the creation of the Cutwell 4 Kids organization. Cutwell 4 Kids community nonprofit's sole mission is to provide healthy alternatives and to prevent youth and adults from further unhealthy behaviors. For the past six years, Anthony spearheaded programs and activities to prevent youth and adults from negative behaviors in his community.
