Marquisha Applewhite is the Partnerships for Success Regional Lead Representative for Region 7, which serve Cross, Crittenden, Lee, Phillips, St. Francis and Monroe counties. She has been a part of the prevention team since August 2019 and serves through the Partnerships for Success Grant.

Marquisha is helping existing youth coalitions and assisting in building youth anti-drug coalitions by some of the following ways: providing substance abuse education, providing information about evidence-based prevention strategies and activities, leadership training and opportunities, connectivity to state and community resources and much more.

Marquisha is very passionate about helping people and she hopes to always leave her Marq (mark) on everyone that she meets.

“Leave people better than you found them.”
